**DETAILED ACTION**

***Election/Restrictions***

1. Restriction to one of the following inventions is required under 35 U.S.C. 121:
  - I. Claims 21-44, 65-83, 88-89, drawn to method and computer readable medium of identifying financial instruments utilizing user defined search criteria, classified in class 705, subclass 36.
  - II. Claims 45-64, 84-87, drawn to method and server system, and medium for providing and identifying financial instrument utilizing database creation, classified in class 705, subclass 36.
2. The inventions are distinct, each from the other because of the following reasons:

Inventions I and II are related as subcombinations disclosed as usable together in a single combination. The subcombinations are distinct from each other if they are shown to be separately usable. In the instant case, invention I has separate utility such as for use in identifying financial data other than of instruments. See MPEP § 806.05(d).

3. Because these inventions are distinct for the reasons given above and have acquired a separate status in the art because of their recognized divergent subject matter, restriction for examination purposes as indicated is proper.

4. A telephone call was made to Mr. McGlynn on 5-11-04 to request an oral election to the above restriction requirement, but did not result in an election being made.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

5. With apologies, the examiner cannot find the PTO form 1449 referenced by applicant in this application. Please submit a copy with the response to the restriction requirement. It is assumed that the PTO form 1449 referenced by applicant is for the IDS filed 10-23-00 listed as paper number 3.

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alain L. Bashore whose telephone number is 703-308-1884. The examiner can normally be reached on about 7:00 am to 4:30 pm (Monday thru Thursday).
